4-H & Youth Development Specialists

Cassels, Alicia
Extension Specialist – Curriculum
Extension Assistant Professor
615 Knapp Hall
PO Box 6031
Morgantown, WV 26506-6031
Phone: 304-293-7993
Email: Alicia.Cassels@mail.wvu.edu

Areas of Expertise:
- Community, Family, and School Based programs that promote youth academic development and literacy in the state of West Virginia

Need help? I can help you with:
- I am able to provide tips for improving student academic success
- I am able to provide academic success workshops and presentations for parents, schools, and community organizations
- I am able to provide information regarding the Energy Express Program
- I am able to provide summer volunteer opportunities for youth and adults

Cobb, Nila
Extension Specialist – Health Promotion and Youth at Risk
Assistant Director West Virginia Afterschool Network (WVSAN)
Extension Associate Professor
WVU Charleston, WV
4700 MacCorkle Ave SE Suite 1003
Charleston, WV 25304
Phone: 304-720-9883
Email: nila.cobb@mail.wvu.edu

Areas of Expertise:
- Programs that promote healthy lifestyles
- Health Rocks!, the WV Mentoring Program
- Afterschool programs

Need help? I can help you with:
- Programs including free curriculum to benefit youth to reduce tobacco, alcohol, and drug use
- “Grab and Go” lessons to use in afterschool, school day, or youth club settings such as 4-H
- Spit tobacco prevention curriculum
- Assist with development of topics for health fairs and health days during or afterschool hours
- Trainings for afterschool practitioners and front line staff to include STARS credit
- Development and implementation of youth mentoring programs
- Opportunities to help youth eat healthy and increase physical activity

**Collier, Terri**  
Extension Specialist – Literacy and Academic Success  
Extension Assistant Professor  
Allen Hall  
PO Box 6602  
Morgantown, WV 26506-6602  
Phone: 304-293-3855  
Email: Terri.Collier@mail.wvu.edu

**Areas of Expertise:**  
- Programs that promote youth academic development and literacy

**Need help?**  
- Having previously worked in the WV educational system for 33 years as a teacher and administrator, I can provide:  
  - Assistance with research-based strategies that promote student achievement;  
  - information on strengthening parent and community involvement;  
  - insight into building relationships with county school system officials and community members; and  
  - presentations on various topics related to improving students’ academic success  
- As the Energy Express director, I can provide information regarding the program

**England-Lord, Susan**  
Extension Specialist – Volunteerism  
Extension Associate Professor  
WVU Jackson’s Mill  
160 WVU Jackson Mill  
Weston, WV 26452  
Phone: 304-406-7022  
Email: srenglandlord@mail.wvu.edu

**Areas of Expertise:**  
- Volunteer Leadership Management and Development including screening and training of extension volunteers for all program disciplines  
- iRESPECT: Bullying and Cyber-Bullying prevention for educators, parents and youth

**Need help? I can help you with:**
Five Keys of Volunteer Management
- Program Development and Management Systems
- Motivation
- Marketing, Public Relations & Communications
- Risk Management
- Strategic Planning

Training for volunteers including:
- Policies and Procedures including
  - Children on Campus
- Leadership Development including
  - True Colors

Schmuck, Matthew
Extension Specialist – Camping
Extension Instructor
WVU Jackson’s Mill
160 WVU Jackson Mill
Weston, WV 26452
Phone: 304-406-7014
Email: Matthew.Schmuck@mail.wvu.edu

Areas of Expertise:
- Camping and Experiential Education
- Group facilitation and leadership training. Low challenge course facilitator and trainer.
- Outdoor recreation and lifelong physical activity instructor for: backpacking, backcountry living skills, rock climbing, canoeing, 4-H air rifle instructor and tomahawk & knife throwing
- Supervisor of Extension Camp Instructors (ECIs)
- State 4-H Collegiate Advisor
- State 4-H Shooting Sports Coordinator
- State 4-H Military Liaison

Need help? I can help you with:
- All things camping
- Risk management planning
- Outdoor recreation and physical activity program development
Robertson-Honecker, Jen
Extension Specialist – STEM
Extension Assistant Professor
616 Knapp Hall
PO Box 6031
Morgantown, WV 26506-6031
Phone: 304-293-8130
Email: Jen.Robertson@mail.wvu.edu

Areas of Expertise
- Community and School Based programs and activities that promote youth academic development in Science, Technology, Engineering, and Math (STEM) education
- Science professional development and training for teachers, afterschool providers, and youth volunteers

Need help? I can help you with:
- I am able to provide information on a variety of extracurricular STEM activities including: science quiz bowls, science fairs, FIRST robotics, SeaPerch, Expanding Your Horizons, and rocketry programs
- I can provide tips for encouraging youth, particularly females, to become more engaged in STEM and ways to improve student academic success in STEM throughout high school and college
- I can provide trainings on hands-on STEM activities covering a variety of state K-12 content standards and promoting college majors and careers in STEM

Scott, Denis
Extension Specialist – Civil Engagement and Global Education
Extension Assistant Professor
706 Knapp Hall
PO Box 6031
Morgantown, WV 26506-6031
Phone: 304-293-8665
Email: Denis.Scott@mail.wvu.edu

Areas of Expertise:
- Youth and volunteer development focusing on: citizenship, leadership, community action, service learning, poverty, diversity, and global education

Need help? I can help you with:
- State Citizenship Programs and Leadership Camps such as the Civic Engagement Forum, 4-H Youth Development In-bound and Out-bound opportunities (International Learning Adventures and Hosting Programs), Global Education Skill-a-thons, and WV CEOS International Student Program
Agriculture & Natural Resources Specialists

**Basden, Tom**
Extension Specialist – Nutrition Management  
Extension Clinical Associate Professor  
1058 Agricultural Sciences Building  
PO Box 6108  
Morgantown, WV 26506-6108  
Phone: 304-293-2602  
Fax: 304-293-6954  
Email: Tom.Basden@mail.wvu.edu

Areas of Expertise:
- Nutrient Management Planning  
- Soil and Water Conservation Practices  
- Organic Soil Amendments and Composting  
- Interpretation of Soil Test Results  
- Soil Fertility Recommendations for Lime products, Fertilizers, Manure and Composts

Need help? I can help you with:
- Cover Crop Management and Selection  
- Manure Management, Storage, Utilization and Conservation  
- Site Specific Nutrient Management Plan Development and Implementation  
- Composting Process and Utilization for Homeowners, Farmers and Municipalities  
- Conservation Farming Practices to Improve Water Quality  
- Private Well Water Quality and Well Site Maintenance

**Chandran, Rakesh S.**
Extension Weed Specialist and IPM Coordinator  
Extension Clinical Associate Professor  
1076 Agricultural Sciences Building  
PO Box 6108  
Morgantown, WV, 26506-6108  
Phone: 304-293-2603  
Fax: 304-293-6954  
Email: rschandran@mail.wvu.edu

Areas of Expertise:
- Integrated Pest Management Coordination  
- Weed Management  
- Turfgrass Management
Need help? I can help you with:
- Weed Management in row crops
- Weed Management in tree fruit
- Weed Management in pasture and hayfield
- Weed Management in home lawns and other turf
- Weed Management in vegetables
- Aquatic Weed Management
- Turfgrass management

Frank, Daniel  
Extension Specialist – Entomology  
Extension Assistant Professor  
Agricultural Sciences Building  
PO Box 6108  
Morgantown, WV 26506  
Phone: (304) 293-8835  
Fax: (304) 293-6954  
Email: dlfrank@mail.wvu.edu

Areas of Expertise:
- Entomology  
- Integrated Pest Management

Need help? I can help you with:
- Insect identification  
- Insect control

Danilovich, Mira  
Extension Specialist – Consumer Horticulture, Master Gardeners Coordinator  
Extension Associate Professor  
Ag. Sciences Building  
PO Box 6108  
Morgantown, WV 26506  
Phone: 304-293-2620  
Email: Mira.Danilovich@mail.wvu.edu

Area of Expertise:
- Commercial Horticulture/Tree Fruits Production  
- Varieties  
- Rootstocks  
- Pruning for Canopy and Crop Management  
- Orchard Design/Growing System and Orchard Establishment  
- Integrated Crop Management Systems (ICM-IPM, Nutrient Management, Insect and Disease Management in Fruit crops)
- Plant Growth Regulators
- Irrigation
- Harvesting
- Consumer Horticulture (Landscape Evaluation, Plant Protection & Nutrient Management
- Master Gardeners program

Need Help? I can help you with:
- Planning for a new orchard, small and/or large
- Growing tree fruits, small fruits, unusual and/or not-so-common fruits
- Nutrient management/fertilization needs of tree fruits, small fruits, lawns and ornamentals
- Orchard irrigation needs
- Pruning tree fruits, small fruits and ornamentals
- Tree fruits and small fruits diseases identification, forecasting, and management
- Research and Outreach programs (Fruit production)
- Landscape evaluation and recommendations for landscape health protection

---

**Jett, Lewis**  
Extension Specialist – Commercial Horticulture  
Extension Assistant Professor  
2101 Agricultural Sciences Building  
PO Box 6108  
Morgantown, WV, 26506-6108  
Phone: 304-293-2634  
Fax: 304-293-6954  
Email: Lewis.Jett@mail.wvu.edu

Areas of Expertise:
- Commercial Horticulture
- Research and Outreach Programs (focus on methods to lengthen the traditional growing season and expanding locally grown production of fruits and vegetables)
- Stand Establishment
- Seed Production
- Organic Horticulture

Need help? I can help you with:
- Growing small fruits and vegetables
- Season extension technology
- Fertilization and pest management of fruits and vegetables
- Irrigation methods for vegetables and fruits
- Post harvest handling of fruits and vegetables
McConnell, Tom
Extension Specialist – Director of the WV Small Farm Center
Extension Program Leader
2098 Agricultural Sciences Building
PO Box 6108
Morgantown, WV, 26506-6108
Phone: 304-293-2642
Fax: 304-293-6954
Email: trmcconnell@mail.wvu.edu

Areas of Expertise:
- Risk Management/ Crop Insurance
- Marketing of agricultural products including specialty crops
- Small farm issues
- Farm planning
- Estate planning and farm business succession planning
- Income Tax
- Sustainable Agriculture
- Farm Management including farm budgets

Need help? I can help you with:
- Developing farm enterprise budgets
- Developing estate planning strategies
- Developing farm succession planning strategies
- Record keeping
- SARE Farmer/ Grower Grants
- Sourcing local food and specialty crops
- Value adding to agricultural products
- Farmers Markets
- Presenting to non-farm audience about WV Agriculture including:
  - Local food
  - Agriculture’s contribution to the economy
  - Farmers market impacts
- Farm planning for experienced and new and beginning farmers
- Determining your cost per unit of production
**McGill, Dave**  
Extension Specialist – Forest Resource Management  
Extension Professor  
Appalachian Hardwood Center  
338-B Percival Hall  
PO Box 5125  
Phone: 304-293-5930  
Fax: 304-293-2441  
Email: Dave.McGill@mail.wvu.edu

**Areas of Expertise:**
- Forest Stewardship Planning (Selling timber, Silviculture)
- Nontimber forest products (Christmas trees, Medicinal herbs, Shiitake mushrooms)
- Invasive Species Control
- Woodland Owners Associations
- International Forestry
- Organizational and Event Affiliations
  - WV Forest Stewardship Committee
  - WV Forestry Association
  - WV Christmas Tree Growers Association
  - WV 4H Forestry Contest
  - WV Forest Industries Camp
  - Appalachian Forest Heritage Area
  - National 4H Forestry Invitational

**Need help? I can help you with:**
- Guidance on selling timber
- Selecting a forester to serve your woodland management needs
- Diversifying woodland income from alternative forest products
- Getting in touch with other woodland owners and organizations
- Growing shiitake mushrooms
- Setting up forestry education workshops for diverse audiences
- How to treat invasive species in woodland settings

---

**Matlick, Darin**  
Extension Specialist – Veterinarian  
Clinical Associate Professor  
Potomac State College  
Keyser, WV 26726  
Phone: 304-788-6825  
Fax: 304-293-6954  
Email: Darin.Matlick@mail.wvu.edu
Areas of Expertise:
- Beef Reproduction (Including embryo transfer management, genetics, etc.)
- Beef bull management
- Heifer development
- Immunology of cattle
- Herd health
- Bovine surgeries

Need help? I can help you with:
- Design a vaccination program for livestock
- Help develop herd health programs
- Treatment options for livestock diseases
- Select cattle breeding stock
- Disease management
- Reproductive management of cattle

---

**Moritz, Joe**
Extension Specialist – Poultry
Extension Professor
G038 Agricultural Sciences Building
PO Box 6108
Morgantown, WV, 26506-6108
Phone: 304-293-1911
Fax: 304-293-6954
Email: Joe.Moritz@mail.wvu.edu

Areas of Expertise:
- Feed Manufacture
- Non-ruminant Nutrition
- Broiler Production
- Organic Broiler Production
- Turkey Production
- Feed additive assessment

Need help? I can help you with:
- Nutrition issues with poultry
- Management issues with poultry
- Organic poultry production
- 4-H & FFA poultry related issues
- Poultry judging
- Poultry education
Owen, Sheldon  
Extension Specialist – Wildlife  
Extension Assistant Professor  
329-D Percival Hall  
Morgantown, WV 26506-6125  
Phone: 304-293-2990  
Fax: 304-293-2441  
Email: Sheldon.Owen@mail.wvu.edu

Areas of Expertise:
- Wildlife and wildlife habitat management
- Natural history of select wildlife species
- White-Tailed deer damage
- Coyote depredation
- Bats

Need help? I can help you with:
- Managing your woodlot for wildlife
- Managing your farmland for wildlife
- Wildlife natural history
- Early successional habitat management
- White-tailed deer damage management
- Food plot management
- Improving pollinator habitat
- Bat ecology and management

Rahman, Mafuzur  
Extension Specialist – Plant Pathology  
Extension Assistant Professor  
G151 South Agricultural Sciences Building  
PO Box 6108  
Morgantown, WV 26506-6108  
Phone: 304-293-8838  
Fax: 304-293-6954  
Email: MM.Rahman@mail.wvu.edu

Areas of Expertise:
- Plant disease diagnostics (both morphological and molecular) and recommendations to minimize losses due to diseases
- Plant disease forecasting utilizing meteorological information so that growers can adopt necessary preventative measures to save crop from an epidemics
- Integrated Pest Management (IPM) to provide optimum disease control from the use of minimum levels of pesticides
- Extension education and outreach
- Applied Plant Disease Management research with Vegetables and Small fruits. Innovative molecular approach in plant disease diagnostics

Need help? I can help you with:
- Diagnosis of plant disorders (Biotic or Abiotic). * Recommendations for Plant Disease Management
- Conducting applied research on recurrent and economically important plant diseases especially on vegetables and small fruits
- Adopting and implementing IPM approach for pest management in crop production systems
- Pesticide safety and education pertaining to certification and re-certification for pesticide applicator’s license

---

**Rayburn, Ed**  
Extension Specialist – Agronomy  
Extension Professor  
1078 Agricultural Sciences Building  
P.O. Box 6108  
Morgantown, WV 26506-6108  
Phone: 304-293-2654  
Email: Ed.Rayburn@mail.wvu.edu

Areas of Expertise:  
- Pasture, hay, and silage production and harvest management  
- Soil fertility, fertilizing, and liming of forage crops (nutrient management in pastures, hay fields, and meadows)  
- Beef, dairy, sheep, and goat nutrition, feeds, and feeding; Field crop production (corn and small grains)  
- Establishing wildlife food plots

Need help? I can help you with:  
- Fertilizer and liming rec. for forage crops  
- Grazing management of pastures  
- Managing legumes in pastures and hay crops  
- Livestock nutrition in grazing systems
Singh-Knights, Doolarie
Extension Specialist – Agricultural and Resource Economics
Extension Assistant Professor
2108 Agriculture Sciences Building
P.O. Box 6108
Morgantown, WV 26506-6108
Phone: 304-293-7606
Email: Dosingh-knights@mail.wvu.edu

Area of Expertise:
- Agritourism/Farm Diversification
  - Assessing farm’s potential
  - Business planning and evaluation
  - Best practice strategies and codes of conduct
- Farm Management and Economics
  - Financial analysis and record keeping
  - Enterprise and whole-farm planning
  - Small ruminant production and marketing strategies
  - Good agricultural practices

Need help? I can help you with:
- Assessing your property for agritourism (AT) potential
- Developing business plans and partial budgets for AT ventures
- Recommending ‘best practice’ strategies and ‘codes of conduct’ for operating an AT venture
- Conducting financial analyses and developing enterprise budgets and other appropriate records for agricultural operations
- Developing enterprise plans (financial and marketing plans) for agricultural operations
- Advising producers on Good Agricultural Practices.
- Speaking to youths and general audiences on starting an agricultural business

Shaffer, Kevin
Extension Specialist – Livestock Production
2084 Agriculture Sciences Building
P.O. Box 6108
Morgantown, WV 26506-6108
Phone: 304-293-2669
Fax: 304-293-6954
Email: Kevin.Shaffer@mail.wvu.edu

Areas of Expertise:
- Ruminant Nutrition and Feed Efficiency (Beef Cattle Emphasis)
- Ruminant Feed Efficiency
- Beef Cattle Genetic Evaluation Programs
- Beef Cattle Production and Management

Need help? I can help you with:
- Tips and advice on livestock handling systems
- Bull and heifer selection
- Marketing feeder cattle

---

**Skousen, Jeff**
Extension Specialist – Land Reclamation
Extension Professor
1106 Agricultural Sciences Building
PO Box 6108
Morgantown, WV, 26506-6108
Phone: 304-293-2667
Fax: 304-293-6954
Email: Jeff.Skousen@mail.wvu.edu

Areas of Expertise:
- Soil science
- Environmental science
- Reclamation of disturbed soils
- Reclamation of disturbed lands and improvement of water quality
- Mine drainage control and treatment
- Overburden and soil analysis
- Re-vegetation of disturbed lands
- Reforestation
- Post mining land use development
- Directs graduate student research
- Publishes results in journals and proceeding
- Presents findings at professional meetings

Need help? I can help you with:
- Revegetation Issues
- Acid Soils and Liming Principles
- Reforestation
- Tree Identification
- Plant Ecology
- Drainage Issues
- Soil Erosion and Landslides
- Water treatment (industrial and domestic)
- Septic Tanks and Drain Fields
Spong, Ben
Extension Specialist – Forest Operations
Extension Assistant Professor
Appalachian Hardwood Center
329E Percival Hall, PO Box 6125
Morgantown, WV 26506-6125
Phone: 304-293-9425
Fax: 304-293-2441
Email: Ben.Spong@mail.wvu.edu

Areas of Expertise:
- Logging
- Road building
- Forestry best management practices
- Trucking and transportation
- Biomass and biofuels, woods safety, most topics dealing with forestry activities between growing the tree and sawing the tree into boards

Need help? I can help you with:
- The process to sell timber off of all sizes of landholdings
- Logging contracting activities
- Business management activities for logging businesses
- Timber prices
- Logging safety activities
- Certification of forest products
- Timber harvesting equipment and techniques
Community, Economic & Workforce Development Specialists

Arbogast, Doug
Extension Specialist – Community Resources & Economic Development, Rural Tourism
Assistant Professor
701 Knapp Hall
PO Box 6031
Phone: 304-293-8686
Fax: 304-293-3395
Email: Doug.Arbogast@mail.wvu.edu

Areas of Expertise:
- Tourism Planning
- Destination Competitiveness
- Sustainable Tourism
- Destination Management

Need help? I could help you with:
- Tourism Research
- Tourism First Impressions Assessment
- West Virginia Welcome Hospitality Training
- West Virginia Interpretive Guide Heritage Steward Training
- Understanding Tourism Trends and Research

Dougherty, Michael
Extension Specialist – Community Development
Extension Professor
2104 Agricultural Sciences Building
PO Box 6108
Phone: 304-293-2559
Fax: 304-293-6954
Email: Michael.Dougherty@mail.wvu.edu

Areas of Expertise:
- Local government
- Public budgeting
- Financial administration
- Strategic planning
- Comprehensive planning
- Community design

Need help? I can help you with:
- Community Planning
- Strategic planning
- Planning education
- Organizational structural issues
- Financial administration
- Operational studies
- Administrative counsel

**Eades, Daniel**
Extension Specialist – Rural Economics / Community Design
Extension Assistant Professor
704 Knapp Hall
PO Box 6031
Phone: 304-293-8697
Fax: 304-293-3395
Email: Daniel.Eades@mail.wvu.edu

Areas of Expertise:
- Regional economics
- Community economic development
- Economic impact modeling

Need help? I can help you with:
- Community Data Analysis
- Business Retention and Expansion Planning
- Economic Impact Assessment Research

**Fullen, Mark**
Program Leader, Interim Program Director – Safety & Health
Extension Associate Professor
3604 Collins Ferry Road
PO Box 6615
Morgantown, WV 26505-6615
Phone: 304-293-3200
Fax: 304-293-5905
Email: M.Fullen@mail.wvu.edu

Areas of Expertise:
- The use of new media and technology to train hard-to-reach workers
- Developmental Research
- Intervention Research
- Fall Protection
- Residential Construction Fall Protection
- Modular Home Safety Hazards
- PDA based safety audit tool development, implementation, and effectiveness

Need help? I can help you with:
- Reducing construction worker injuries
- Implementing a construction safety program
- Evaluation fall hazards and developing appropriate control

**Fuller, Jenny**
Extension Specialist – Safety & Health
Extension Assistant Professor, Safety Specialist
3604 Collins Ferry Road
PO Box 6615
Morgantown, WV 26505-6615
Phone: 304-293-3167
Email: Jenny.Fuller@mail.wvu.edu

Areas of Expertise:
- Fall Protection
- Training
- Standards
- Military Standards

Need help? I can help you with:
- Safety Standards
- Training
- Audits/Inspections

**Hyman, John**
Extension Specialist – Safety Training
Extension Clinical Assistant Professor
3604 Collins Ferry Road
PO Box 6615
Morgantown, WV 26505-6615
Phone: 304-293-8842
Email: John.Hyman@mail.wvu.edu

Area of Expertise:
- University campus safety
- OSHA training equipment
- OSHA fire protection regulations
- OSHA excavation and trenching regulations

Need help? I can help you with:
- Delivery of safety training
- Determining compliance with OSHA fire protection regulations
- Site safety inspections and audits

---

Ice, Jessica
Extension Specialists – Leadership Theory and Practice, Institute for Labor Studies & Research
Extension Assistant Professor
707 Knapp Hall
PO Box 6031
Morgantown, WV 26506
Phone: 304-293-3323
Email: Jessica.Ice@mail.wvu.edu

Areas of Expertise:
- Leadership
- Public Policy
- Local Government

Need help? I can help you with:
- Class, workshops, or research related to my area of expertise.

---

Jolliff, Richard
Extension Specialist – Safety, Safety & Health
Extension Clinical Assistant Professor
